

THE MAGELLAN GROUP

UNDERSTANDING THE HOME-BASED BUSINESS EXPOSURE CE COURSE

CE COURSE OVERVIEW

This course complies with Pennsylvania's Continuing Education (PE) requirements. The course is presented using a combination of live personal instruction and a PowerPoint presentation via webinar. Attendees will be able to ask questions to further facilitate the learning process. The live webinar format enables attendees the ability to access traditional face-to-face classroom-type instruction at a safe learning distance. Students who attend the entire CE course will be issued a CE certificate based upon attendance.

Understanding the Home-Based Business Exposure CE course will address the common insurance policies that are used to insure the home-based business market. Emphasis is placed on understanding the limitations found in the Homeowners Policy with a review of endorsements and other coverages commonly used to meet the needs of the home-based business market. This CE program will also address the new Homeowner 2022 Policy edition and its effect on the home-based business market. This CE course is approved for 2 CE credits.
