

THE MAGELLAN GROUP

PENNSYLVANIA INSURANCE REGULATIONS CE COURSE

CE COURSE OVERVIEW

This course complies with Pennsylvania's Continuing Education (PE) requirements. The course is presented using a combination of live personal instruction and a PowerPoint presentation via webinar. Attendees will be able to ask questions to further facilitate the learning process. The live webinar format enables attendees the ability to access traditional face-to-face classroom-type instruction at a safe learning distance. Students who attend the entire CE course will be issued a CE certificate based upon attendance.

The Pennsylvania Insurance Regulations CE course will address Pennsylvania statutes and regulations that affect producers, insurers, and public adjuster compliance issues. Topics include licensing and CE requirements, rebating limits, fee and referral arrangements, fiduciary requirements, security requirement and training, and compliance with claims and underwriting regulations. This course will cover the most common compliance issues faced by producers, CSRs, and claims personnel. Emphasis will be placed on understanding the statutes and regulations to promote state mandated compliance and support the Commonwealth's goal of protecting its residents. This CE course is approved for 2 CE credits.
