Public Adjuster Licensing for Pennsylvania Insurance Exams

The Magellan Group is making Pennsylvania Public Adjuster licensing faster, easier and more convenient. Specifically designed for individuals preparing for the Pennsylvania Public Adjuster licensing exam, we offer a complete learning system designed to guide you through the licensing process. Our Exam Master Online course includes over 300 audio PowerPoint slides of chapter summaries, over 400 key terms as flash cards, and over 700 exam-like practice questions. And unlike generic multi-state public adjusting material, our material specifically corresponds with the Pennsylvania/PSI exam outlines. This is especially important today due to the Pennsylvania Insurance Department's concentrated emphasis on Pennsylvania Public Adjuster regulations.

Available in either self-study or in-house classroom format, we make the licensing process simple, efficient, and cost effective. Students can self-study using our print manual and also have the ability to access our study material entirely online via a computer, tablet, or smart phone for the ultimate on-the-go learning. And for larger organizations, in-house classroom reviews are available. Regardless of the format chosen, you can be assured that our licensing programs contain the finest educational material and professional support.

So if you are new to the public adjusting field, or looking to add a licensing authority, let The Magellan Group help you chart your own course. Preview our licensing course information below and on the following side of this brochure and then visit our website at www.magellangroupinc.com for a free demonstration of our Exam Master Online for Public Adjuster licensing. You can also give us a call at 412-885-1210 and we can answer any of your questions.

ABOUT PUBLIC ADJUSTER LICENSING

Pennsylvania Public Adjuster Licensing – Individuals seeking a Pennsylvania public adjuster’s license must score at least 70% or higher on the Pennsylvania Public Adjuster’s (series 16-19) examination. The exam consists of 60 multiple-choice questions. The exam addresses the following subjects: Insurance Regulations, General Insurance, Property and Casualty Insurance Basics, Dwelling Policy, Homeowners Policy, Commercial Property Policies, Commercial Inland Marine, Businessowners Policy, Other Types of Insurance Policies, and the Adjustment Process. Magellan public adjusting licensing materials addresses all of these topics.

Magellan Course Material - Students ordering our Public Adjuster licensing materials will be shipped the printed study manual, *Essentials of Public Adjusting*, a Pennsylvania Public Adjusting Licensing Information Bulletin, and full access to our Exam Master Online course. Students are encouraged to read the text material in conjunction with the Exam Master Online course. The Exam Master Online course includes over 300 PowerPoint slides with over 10 hours of audio chapter summaries, over 400 key terms and concepts in flash card format, and over 700 exam-like practice questions with rationales. Our entire suite of course materials may be accessed entirely online via a computer or mobile devices such as iPhones, iPads or similar Android devices.
